Want to challenge your sales team with a contest but don't know how? Let TrainerTainment help you set new year goals when you "Set Sail for Higher Sales"! Reward an outstanding employee or take a well deserved vacation for yourself—and enjoy two GREAT Sales Training Seminars.

Let the fun begin on a 5 day Western Caribbean Carnival cruise vacation from Galveston, TX

Your first stop on this sun-worshippers' cruise vacation takes you to Cozumel, Mexico, the most beautiful island on the Yucatan. Naturally, water sports reign supreme on a paradise with so many beaches and coral reefs, including Palancar Reef. But shopping for duty-free bargains and handicrafts is also a popular activity. Then you're off to Progreso in the Yucatan Peninsula of Mexico. This is the perfect place from which to explore some of the ancient Mayan ruins, or you can choose to enjoy the beautiful beaches and great shopping. On this cruise, you'll enjoy one fun experience after another!

Carnival reserves the right to re-instate the fuel supplement for all guests at up to \$9 per person per day if the NYMEX oil price exceeds \$70 per barrel.

Cruise rates are capacity controlled in U.S. Dollars, per guest and based on double occupancy. Government taxes/fees are included. Air transportation is additional for all guests. Rates are available on select sailings only. Some restrictions (included stateroom category availability) apply. Rates are subject to change without prior notice. Ship's Registry: Panama.

Set sail for Higher sales

Do you want to challenge your sales team with a contest but don't know how? Let TrainerTainment help you set goals for 2009 when you "Set Sail for Higher Sales"!

Sales FACTS:

- Sales people need goals.
- Sales people perform at higher levels when there is a contest or reward.
- Any time you give a good sales person a way to keep score, he or she will find a way to win.
- Winning is FUN! And winning a cruise is REAL fun!

Why wait? Implement this easy to promote sales contest today and increase your sales in 2009.

Sales Contest HOW TO:

1. Decide what you want to track. We recommend tracking the increase in Group or Birthday Sales over the same period in 2008.
2. Determine how long you want to run the sales contest. We recommend using a 13-week (one quarter) tracking period
 - TIP: Starting right away is essential, as deposits to hold the rooms must be paid in advance.
3. Set the goal. The goal is to increase sales above last year for the same period as the contest. The chart below will help you determine the amount of sales increase needed. It assumes that you are willing to spend 10% of the sales increase for the incentive trip. You can run the contest for an individual, or a couple with only one person attending the seminars.
4. Put the goal out in front of your sales person and let the tracking begin!
